Subject: Regulation on the restriction of the use of hazardous substances according to Directive 2011/65 / EU RoHS II

Dear Customer,

the raw materials used for the manufacture of your parts are defined in Directive 2011/65 / EU RoHS II according to the exemptions referred to Article 4 paragraph 6 annex III point 6.c and expressly verified by our suppliers in the UNI EN 10204 test certificate 2.2 that we will send you to each delivery.

The material we used is mechanically processed and is not chemically altered during the production process. We remain at your disposal for any further information about it.
